### 2022-23 School Overview

Sierra Madre Continuation High School is an alternative program that strives to provide educational support for students by offering a program designed to meet individualized student needs. Our goal is to make every student successful in obtaining a high school diploma, preparing for the completing the requirements to earn a continuation high school diploma, and/or returning to a traditional high school setting. We make every effort possible to recognize a student's individuality and work with them to improve their potential to have the very best possible future, both personally and as a productive citizen.

Students are offered an individualized approach that requires them to assume more responsibility for their education. A great deal of thought has gone into establishing a program that provides students with the opportunity to achieve a practical and effective high school education.

Sierra Madre Continuation High School is designed to include students who for reasons of health, social skills, emotional development, or family commitment cannot manage a full-day schedule at the comprehensive high school. Certain characteristics provide us with a better understanding of the fundamental objectives of a continuation/alternative education high school. The characteristics listed below are not all-encompassing, but do help to explain the basic education philosophy of Sierra Madre Continuation High School:

Our highest priority is an individual approach to education. Each student is given as much personal attention as possible.

Guidance and counseling services are present in all aspects of the student's curriculum. Students will assume personal responsibility for their educational growth, and by doing this, will receive more rewarding accomplishments.

The staff believes that the well-planned use of short-term goals and frequent rewards will encourage students to move forward in their education. A strong emphasis is placed on the importance of open and honest actions between adults and students. Students' observations of adults provide one of the most lasting impressions for role modeling.

# A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

| 2020-21 Teacher Preparation and Placement   |                  |                   |                    |                     |                 |                  |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|
| Authorization/Assignment  | School<br>Number | School<br>Percent | District<br>Number | District<br>Percent | State<br>Number | State<br>Percent |

| Teachers Without Credentials and<br>Misassignments ("ineffective" under<br>ESSA)                      |                  |                   | 0.50               | 3.84                | 11216.70        | 4.08             |
| Credentialed Teachers Assigned Out-of-<br>Field ("out-of-field" under ESSA)                           |                  |                   | 4.60               | 35.48               | 12115.80        | 4.41             |
| Unknown   |                  |                   | 0.00               | 0.15                | 18854.30        | 6.86             |
| Total Teaching Positions  |                  |                   | 13.00              | 100.00              | 274759.10       | 100.00           |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

| 2021-22 Teacher Preparation and Placement   |                  |                   |                    |                     |                 |                  |
|---|------------------|-------------------|--------------------|---------------------|-----------------|------------------|

# 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Sierra Madre High School is in the process of updating all curriculum, selected from the most recent list of standards-based materials adopted by the State Board of Education. New English Language Arts curriculum, aligned with Common Core State Standards (CCSS) was adopted in the 2016/2017 school year. An integrated math program was adopted in 2018. New History/Social Science textbooks will be adopted by the end of the 2020/2021 school year. Science curriculum will be purchased as soon as it becomes available.

### School Facility Conditions and Planned Improvements

The main campus was built in 1957 and all facilities are in good working order. The electrical system was updated in 2020. In addition to regular classrooms, Sierra Madre Continuation High School has access to an administration building, library, full kitchen and cafeteria, and multipurpose gymnasium that are safe, clean, and provide adequate space for student and community activities. We have a computer laboratory, a weight room, and tennis courts.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district used a facility survey instrument developed by the State of California Office of Public School Instruction. The results of the survey are available at the school office or district office.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Our school meets most or all of the standards for good repair, established by the Office of Public School Construction. If we have any deficiencies, they are not significant. We scored between 86 and 100 percent on the 15 categories of our evaluation.

### Year and month of the most recent FIT report

September 2020

| System Inspected  | Rate<br>Good | Rate<br>Fair | Rate<br>Poor | Repair Needed and Action Taken or Planned  |

# **B. Pupil Outcomes**

# State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject  | School<br>2020-21 | School<br>2021-22 | District<br>2020-21 | District<br>2021-22 | State<br>2020-21 | State<br>2021-22 |
|--|-------------------|-------------------|---------------------|---------------------|------------------|------------------|
| English Language Arts/Literacy (grades 3-8 and 11) | N/A               |                   | N/A                 |                     | N/A              |                  |
| Mathematics<br>(grades 3-8 and 11)                 | N/A               |                   | N/A                 |                     | N/A              |                  |

# 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who met the standard standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

For any 2020-21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

| Subject                                  | School  | School  | District | District | State   | State   |
|--|---------|---------|----------|----------|---------|---------|
|  | 2020-21 | 2021-22 | 2020-21  | 2021-22  | 2020-21 | 2021-22 |
| Science<br>(grades 5, 8 and high school) | NT      |         | 9.76     | 19.57    | 28.5    | 29.47   |

# 2021-22 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Student Group                                 | Total<br>Enrollment | Number<br>Tested | Percent<br>Tested | Percent<br>Not Tested | Percent<br>Met or<br>Exceeded |

# 2021-22 Career Technical Education Programs

Sierra Madre High School students are focused on earning a high school diploma, and either entering the work force, join the Armed Services, or continuing their education. The instructor gives students individualized attention to help students reach their greatest potential and advises them on their future goals. Students are given ample opportunity to prepare for college and careers, which is integrated with their academic work. As Sierra Madre students, attending a shortened school day, they are not enrolled in CTE programs.

# 2021-22 Career Technical Education (CTE) Participation Measure CTE Program Participation Number of Pupils Participating in CTE Percent of Pupils that Complete a CTE Program and Earn a High School Diploma Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education Image: Complete a CTE Program and Earn a High School Complete a CTE Program and Earn a High School Diploma

# Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

| UC/CSU Course Measure   | Percent |
|---|---------|
| 2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission          |         |
| 2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission |         |

# **B. Pupil Outcomes**

# State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

# 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

# **C. Engagement**

# **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

# 2022-23 Opportunities for Parental Involvement

Parents are encouraged to help their students be prepared for every school day, and to ensure that they attend regularly. Sierra Madre Continuation High School supports parents in their efforts to provide a designated time and place for homework, to seek open communication with teacher(s), and to respond to school requests for conferences. Parents can join the district School Site Council (SSC), district English Language Advisory Committee (ELAC) to become involved with Sierra Madre Continuation High School. The School Site Council and English Language Advisory Committee meet at least four times a year

# 2022-23 Opportunities for Parental Involvement

to provide input on the LCAP and the Title I funding. These are excellent opportunities for parents to be involved in their student's educational experience.

# C. Engagement

# **State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

# **Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

# C. Engagement

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

| Subject     | School<br>2019-20 | District<br>2019-20 | State<br>2019-20 |
|-------------|-------------------|---------------------|------------------|
| Suspensions |                   | 0.00                | 2.45             |
| Expulsions  |                   | 0.00                | 0.05             |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject     | School<br>2020-21 | School<br>2021-22 | District<br>2020-21 | District<br>2021-22 | State<br>2020-21 | State<br>2021-22 |

### 2022-23 School Safety Plan

A Site Emergency Plan (Revised January 2022) and approved by the Board in February of 2022. This plan is on file (and on the Cuyama Joint Unified School District website), and drills for earthquake and fire are held regularly. While we pride ourselves on our safe community, we ensure that emergency response procedures are in place. Faculty, staff, and students are trained to exit the school buildings safely and are familiar with safe locations on campus. Teacher responsibilities regarding student safety are reviewed during each school year. Classified staff members are also trained to assist in case of an emergency. Staff is on duty and assigned to monitor all students both in classrooms and on the school grounds.

The school is aware of and complies with laws and regulations regarding hazardous materials. Laboratory and chemical supplies are carefully housed, and their use is diligently monitored. A regularly scheduled maintenance program ensures classrooms, restrooms, and other facilities are kept in good condition.

### 2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average<br>Class<br>Size | Number of Classes with<br>1-22 Students | Number of Classes with<br>23-32 Students | Number of Classes with<br>33+ Students |
|-----------------------|--------------------------|---|--|--|
| English Language Arts |                          |   |  |  |
| Mathematics           |                          |   |  |  |
| Science               |                          |   |  |  |
| Social Science        |                          |   |  |  |

# 2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average<br>Class<br>Size | Number of Classes with<br>1-22 Students | Number of Classes with 23-32 Students | Number of Classes with<br>33+ Students |
|-----------------------|--------------------------|---|---------------------------------------|--|
| English Language Arts |                          |   |                                       |  |
| Mathematics           |                          |   |                                       |  |
| Science               |                          |   |                                       |  |
| Social Science        |                          |   |                                       |  |

### 2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

| Subject               | Average<br>Class<br>Size | Number of Classes with<br>1-22 Students | Number of Classes with<br>23-32 Students | Number of Classes with<br>33+ Students |
|-----------------------|--------------------------|---|--|--|
| English Language Arts |                          |   |  |  |
| Mathematics           |                          |   |  |  |
| Science               |                          |   |  |  |
| Social Science        |                          |   |  |  |

# 2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title                        | Ratio |
|------------------------------|-------|
| Pupils to Academic Counselor | 0     |

# 2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Number of FTE Assigned to School |
|----------------------------------|
|                                  |
|                                  |
|                                  |
|                                  |
|                                  |
|                                  |
|                                  |
|                                  |
|                                  |
|                                  |

# 2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level   | Total<br>Expenditures<br>Per Pupil | Expenditures<br>Per Pupil<br>(Restricted) | Expenditures<br>Per Pupil<br>(Unrestricted) | Average<br>Teacher<br>Salary |
|---|------------------------------------|---|---|------------------------------|

| District                                      | N/A                                | N/A                                       | \$8224.13                                   |                              |
| Percent Difference - School Site and District | N/A                                | N/A                                       | 0.0   | -15.6                        |
| State   | N/A                                | N/A                                       | \$6,594                                     | \$73,001                     |
| Percent Difference - School Site and State    | N/A                                | N/A                                       | 22.0  | -26.4                        |

# 2021-22 Types of Services Funded

These are the types of programs and services funded that support and assist students:

- Title 1 (supports socio-economically challenged students)
- Title 2 (teacher training and professional development)
- National School Lunch program
- Economic Impact Aid (EIA)
- Tobacco Use and Prevention
- Mandate Block Grant
- Teacher Induction Program (TIP)
- Multi-Tiered Systems of Support (MTSS)
- \* Response to Intervention (RTI) Individualized support during instructional time

# 2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <a href="http://www.cde.ca.gov/ds/fd/cs/">http://www.cde.ca.gov/ds/fd/cs/</a>.

| Category                                      | District<br>Amount | State Average<br>for Districts<br>in Same Category |
|---|--------------------|--|
| Beginning Teacher Salary                      |                    | \$46,419   |
| Mid-Range Teacher Salary                      |                    | \$69,902   |
| Highest Teacher Salary                        |                    | \$97,912   |
| Average Principal Salary (Elementary)         |                    | \$111,731  |
| Average Principal Salary (Middle)             |                    | \$122,012  |
| Average Principal Salary (High)               |                    | \$122,212  |
| Superintendent Salary                         |                    | \$150,971  |
| Percent of Budget for Teacher Salaries        | 25%                | 29%  |
| Percent of Budget for Administrative Salaries | 5%                 | 6%   |
|   |                    |  |

This table displays the percent of student in AP courses at this school.

### Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

| Subject  | Number of AP Courses Offered |
|--|------------------------------|
| Computer Science   |                              |
| English  |                              |
| Fine and Performing Arts   |                              |
| Foreign Language   |                              |
| Mathematics  |                              |
| Science  |                              |
| Social Science   |                              |
| <b>Total AP Courses Offered</b><br>Where there are student course enrollments of at least one student. |                              |

# **Professional Development**

For the 2021-2022 school year, after examining student data and gathering teaching input, it was determined that staff development would focus on Universal Design for Learning (UDL) and social-emotional learning. Support has been provided by the Santa Barbara Office of Education with one-on-one coaching and after school workshops, along with conference attendance. Teacher frequently reviews data to plan instruction. In moving forward with the 2022-2023 school year, educators are continuing to deepen their knowledge of UDL, and have added discovering more about the Social Emotional Learning components of UDL. One-on-one coaching is still a practice, along with after school workshops. Teacher participates in the Multi-Tiered Systems of Support (MTSS) and has attended training in positive behavioral supports.

Sierra Madre Continuation High School has continued to develop and deepen practices with on-going professional development in the realms of MTSS and UDL for the 2021-2022 and continuing in the 2022-2023 school year. With the return to in-person instruction in 2021-2022, professional development was added to better support teacher and students by receiving sessions on Social Emotional learning. Some SBCEO PD was conducted in person for the 2021-2022 school year. Sierra Madre Continuation High School teacher participates with one-on-one coaching sessions provided by the Santa Barbara County Office of Education. Sierra Madre did not have students enrolled in the 2020-2021 school year (distance learning instruction in the district). Sierra Madre did not have any students enrolled in the school until March 7, 2022, when one student enrolled in the program. This is the time we also brought in a teacher to teach teach during at the school.

| This table displays the number of school days dedicated to staff development and continuous improvement. |         |         |         |  |  |
|--|---------|---------|---------|--|--|
| Subject  | 2020-21 | 2021-22 | 2022-23 |  |  |
