c. It is recommended that the board discuss and approve the Resolution establishing a revolving cash fund. This revolving cash fund is necessary for a school district as it allows the district to quickly pay for small, urgent, or routine expenses without waiting for the regular accounts payable process. It allows for smooth daily operations and ensures timely purchases when immediate payment is required. Currently, we have a cash clearing account that is being used as a revolving account which it should not. We may not need a clearing account and would be better off having this revolving cash fund

instead. This is also useful for emergency and/or unexpected purchases, and student activity or program expenses. **Pg. 82-88**
