CUYAMA JOINT UNIFIED SCHOOL DISTRICT, WITH BLUE SKY CENTER

REQUEST FOR CONSENT TO PARTICIPATE IN ART ACTIVITIES

In partnership with the Cuyama Joint Unified School District, Blue Sky Center is hosting visiting artists that seek to engage with Cuyama's school-age students in fun, art-based activities that seek to authentically tell the story of Cuyama, with expression of shared hopes, concerns, and experiences as we move forward out of the pandemic. Your consent is requested to permit your child(ren) to work with artists to create artworks.

For any activities held at the school, artists will be working under the direct supervision of CJUSD teachers and staff at all times. Extracurricular activities may occur at public spaces across Cuyama.

Artists include Noé Montes (a photographer), Ash Hanson (a theater artist and musician), Alex Barreto Hathaway (a theater artist), and Miquela Davis (zine artist). The artworks to be co-created with the students include:

- A community play: all ages, performed publicly in May, which may include participation of your child(ren)
- A zine (a booklet): published with artwork and stories provided by your child(ren)
- A song: performed at the community play and uploaded online for public viewing, for which your child may participate in the creation of the lyrics and/or dances

Please let us know if you consent to the participation of your child(ren) in these fun, art-based activities:

Yes, I give my child permission to participate in the "Vecino a Vecino" ("Neighbor to Neighbor") art projects.

OR

□ No, I <u>do not</u> give my child permission to participate in the "Vecino a Vecino" ("Neighbor to Neighbor") art projects.

Interquest Detection Canines[®] Of Fresno Cuyama Joint Unified (the District)

This shall serve as an agreement by and between Interquest Detection Canines® of Fresno and the DISTRICT for substance awareness and detection services for the period of August 2021 through June 2022.

It is understood that the DISTRICT has established and communicated a policy clearly defining contraband as all drugs of abuse (in the broadest terms), alcoholic beverages, firearms and ammunition, prescription and over-the-counter medication, and that this policy has been disseminated to all campus locations. Violations are considered inimical to the welfare of students and contrary to the DISTRICT'S desire to foster an atmosphere conducive to safety and education.

INTERQUEST shall provide contraband inspection services utilizing non-aggressive contraband detection canines. Such inspections may be conducted on an unannounced basis under the auspices and direction of the DISTRICT administration with INTERQUEST acting as an agent of the DISTRICT while conducting such inspections. Communal areas, lockers, gym areas, parking lots (automobiles), grounds, and other select areas as directed by DISTRICT officials, shall be subject to inspection. Contraband detected on DISTRICT property is the responsibility of the DISTRICT.

INTERQUEST policy precludes the use of detection canines to "sniff" individuals under any circumstances.

INTERQUEST agrees to provide 3 half day visits for the contract period. The DISTRICT may increase the total number of visits by notifying INTERQUEST in writing. Each visit will be \$300 / visit. Multiple canine teams will be charged on a per team basis. INTERQUEST will invoice for service on a monthly basis at the conclusion of the service month. The DISTRICT agrees to pay for services within thirty (30) days of receipt of such invoice.

INTERQUEST will schedule DISTRICT visits in conjunction with days designated by the DISTRICT as appropriate for visits. DISTRICT will provide a school calendar with inappropriate dates for service noted. This calendar will serve as an addendum to the Agreement. All other dates will be considered acceptable for visits. Service will NOT be scheduled until the calendar is received.

INTERQUEST is licensed and registered by the U.S. Department of Justice, Drug Enforcement Administration, and regional regulatory agencies as required. Detection canines are certified as reliable by the National Narcotic Detector Dog Association or equivalent independent agency. All employees are registered with the Department of Justice in accordance with California Education Code requirements.

The DISTRICT agrees to hold harmless INTERQUEST, its Director and employees from and against any and all claims, demands, actions and suits, including but not limited to, any liability for damages by reason of or arising from contraband remaining undetected.

CUYAMA JOINT UNIFIED SCHOOL DISTRICT BOARD MEETING MINUTES Thursday, March 10, 2022, 6:00 P.M. BOARD ROOM, CUYAMA ELEMENTARY SCHOOL 2300 Hwy 166, New Cuyama CA 93254

Join Zoom Meeting

https://us04web.zoom.us/j/79093262427?pwd=3H_d54V6RhKGylYCEGY2A-jG50UgDV.1

Meeting ID: 790 9326 2427

Passcode: 2JtM2U

I. The meeting will be called to order by Board President, Whitney Goller at 6:03 P.M.

ROLL CALL:

Heather Lomax P Whitney Goller P Marcela Medina Ab Emily Johnson P

Jan Smith Ab

Alfonso Gamino P Superintendent

FLAG SALUTE: Led by Theresa King

II. PUBLIC FORUM:

Following recognition by the President, members of the public shall have an opportunity to address the Board of Trustees either before or during the Board's consideration of each item of business to be discussed. In order to efficiently manage the business of the Board, the Board President may limit the amount of time allocated for each individual speaker to 3 minutes and limit the total time allocated on a particular issue to 15 minutes, pursuant to board policy. Items not appearing on the agenda cannot, by law, be the subject of Board action. Such items may be placed on future agendas for full discussion and/or action.

III. SUPERINTENDENT'S REPORT:

School District Activities Update

- 1. District status update including the Early Learning Plan, Community based schools, and Universal Transitional Kindergarten
- 2. Local Control Accountability Plan (LCAP) Stakeholder meeting update

3. Face mask update

Mr.Gamino:

- A. Reported on the different one-time plans that the district has received such as the ESSER I, ESSER II, and ESSER III funds, Expanded Opportunities Grant, Educator Effectiveness Grant, and ASES after school program grant. In addition, the district is working on completing the Local Control Accountability Plan (LCAP) for the 2022-2023 school year. The district is completing a Community Schools Grant and the A-G grant. In addition, the district is collaborating with the Cuyama Valley Family Resource Center to implement the Early Opportunities Learning Grant. The district should also be receiving Universal Transitional Kindergarten (UTK) planning funds to implement the Universal Transitional Kindergarten program. The district is already implementing the Universal Transitional Kindergarten program. Mrs. Wilson has been teaching the UTK program over the last couple of years.
- B. The district is working with Mr. Matt Stowell, Consultant, on the LCAP plan that will be due to the Board in June of 2022.
- C. Face mask update: The California Department of Public Health (CDPH) will no longer be mandating that students and staff to wear a face mask in the classroom. The CDPH strongly recommends the use of the face mask, but, wearing a face mask will not be mandated as of 11:59 p.m. on Friday, March 11, 2022. The board will provide the district direction on this topic in an action item later in the agenda.

IV. Board Reports

- A. Emily Johnson: Emily Johnson will be attending CSBA legislative meeting on behalf of the board to receive the latest financial and educational information. Mrs. Goller may also attend the meeting depending on her availability. Only two district board members attend.
- B. Whitney Goller: The general elections are coming up soon. Mrs. Goller is encouraging the community to step up and have individuals run for the school board. Individuals who are interested may submit their candidacy forms July 18 through August 12, 2022. There are only two forms to fill out, the Declaration of Candidacy and a Candidate Statement (optional). There may be a total of (2) fouryear positions, and possibly a total of (3) two-year positions. Possibly all five positions will be open for interested candidates. Mrs. Goller is sharing this information on Cuyama Strong.

V. CONSENT AGENDA:

The Board will consider the following consent calendar items. All items listed are considered to be routine and noncontroversial. Consent items will be considered first and may be approved by one motion if no member of the CJUSD Board wishes to comment or discuss. If comment or discussion is desired, the item will be removed from the consent agenda and considered in the

listed sequence with an opportunity for any member of the public to address the CJUSD Board concerning the item before action is taken.

1. Minutes of the Tuesday, February 15, 2022, Regular Board Meeting. Members present: Heather Lomax, Whitney Goller, Emily Johnson. Absent: Marcela Medina, Jan Smith. **Pg. 1-9**

2. Checks Board Report and Warrants for February 1-28, 2022. Pg. 10-34

3. Field trip request to attend the College and Career Fair at Allan Hancock College on April 1, 2022, for 9th -12th grade students. **Pg. 35**

4. Honor Roll (incentive) field trip request to Mechanics Bank Arena in Bakersfield to watch the Condors game on April 6, 2022, (6th-8th grade). **Pg. 36-39**

5. Interdistrict Attendance Agreement Request (3rd year of this request). Pg. 40

6. Cuyama Valley Recreational District facilities use application and agreement for the use of the high school outdoor basketball courts. **Pg. 41-42**

Moved By: Whitney Goller

2nd By: Emily Johnson

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

The Board approved Consent items #1-5 and pulled Consent item #6 to be discussed and decided during the Pulled Consent Items section of the board agenda.

Approved 3-0

VI. Informational Item:

a. First Interim Financial Report Analysis and Recommendations letter from Santa Barbara County Office of Education. **Pg. 43-49**

First Interim Financial Report Analysis and Recommendations letter provided to the board for informational purposes.

VII. Action Items:

a. It is recommended that the board discuss and approve the Cuyama Joint Unified School District Financial Statements Audit report presented by Independent Auditor Bobby Patel, CPA, CFE Partner for Eide Bailly for year ending June 30, 2021. **Pg. 50-141**

Moved By: Emily Johnson

2nd By: Whitney Goller

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

Mr. Bobby Patel, from Eide Bailly, made the Cuyama Joint Unified School District Financial Statements Audit presentation via Zoom. The district has made significant progress in streamlining the Business Office. The district, in the past, has had up to 20 findings in previous audits. This year it was cut down to only three findings. The district will be working to address the three findings. The ASB and Scholarship funds have been comingled over the years and the district will address the funds to have better accounting of each fund and each scholarship.

Approved 3-0

b. It is recommended that the board discuss and approve the Cuyama Joint Unified School District Financial and Performance Audits Building Fund (Measure Q) report presented by Independent Auditor Bobby Patel, CPA, CFE Partner for Eide Bailly for year ending June 30, 2021. **Pg. 142 -165**

Moved By: Heather Lomax

Jan Smith Ab

Mrs. Goller made the motion to elect CSBA Delegate Assembly candidate Peter Wright (College ESD) for subregion 11-A.

Approved 3-0

f. It is recommended that the board discuss and approve the 2022-2023 district instructional calendar. Parent/teacher conference November dates and times are to be determined at a later date. **Pg. 185**

Moved By: Emily Johnson

2nd By: Heather Lomax

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

Mr. Gamino mentioned that this is the student instructional calendar. The district is consulting with CUE/CTA on the November 2022, parent/teacher conference dates. It is the goal to add the conference days in the future once the dates are agreed upon.

Approved 3-0

g. It is recommended that the board approve the Extension of teleconference Flexibility During the proclaimed State of Emergency (Government Code section 54953 (b)(3). It is recommended that the Board consider the current state of emergency and make a finding that state and local officials continue to recommend some measures to promote social distancing. This motion it to extend this flexibility until April 14, 2022, the time period for teleconferencing without complying with the usual requirements of Government Code section 54953(b)(3) based on the finding that state or local officials continue to impose or recommend measures to promote social distancing. In addition, the Governor signed an Executive Order on Jan. 5, 2022, extending the flexibility to conduct meetings remotely. **Pg. 186-188**

Moved By: Heather Lomax

2nd By: Emily Johnson

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

The board discussed the possibility of continuing to provide live stream of the board meeting after the flexibility ends. Public comment can continue to be made in person.

Community Members that cannot attend the board meeting can see it at home via Zoom. The district may explore this possibility once the flexibility ends.

Approved 3-0

h. Effective March 12, 2022, masks will no longer be mandated/required, but strongly recommended for students and staff at schools. It is recommended that the board discuss and approve the new face mask protocols for students and staff at schools. **Pg. 189-193**

Moved By: Whitney Goller 2nd By: Emily Johnson

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

Mrs. Laura Price thanked the board and staff for working with the community and everyone during the last two years of the pandemic.

Mr. Gamino mentioned that he has had discussion with the staff about everyone respecting each other regardless of whether they continue to wear a mask or not in the classroom.

Mrs. Wilson asked about whether unvaccinated staff members will continue to Covid test every week.

Mr. Gamino stated that all unvaccinated staff members will continue to Covid test every Tuesday. Vaccinated staff members may choose to vaccinate if they would like (optional).

The Board gave Mr. Gamino direction to end the Face Mask requirement effective March 11, 2022, at 11:59 p.m. and to send an email to all staff. Mr. Gamino will send the email to all staff on Friday, March 11, 2022, in the morning. An Alert Solutions message will go out to all families with this information as well.

Approved 3-0

i. It is recommended that the board discuss and approve the 2nd Interim report and the balances and excess of minimum reserve requirements statement for the 2021-2022 school year. Ms. Theresa King (Business Manager) will present the report. **Starting on Pg. 194**

Moved By: Whitney Goller

2nd By: Emily Johnson

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

Ms. Theresa King (Business Manager) presented the 2nd interim report. Received a Positive Certification. The district continues to deficit spend in 2021-2022 by a projected year total of about \$62,357. In addition, the multiyear projections for the restricted and restricted combined, show that the district will deficit spend \$275,762 in the 2022-2023 school year and \$20,564 in 2023-2024, taking into account the layoff of one full time certificated and one full time classified position in 2022-2023 to take effect in 2023-2024.

In addition, the district reviewed and discussed the Balances in Excess of Minimum Reserve Requirements in consideration of the multi-year projections as required.

Approved 3-0

VII. ITEM(S) PULLED FROM CONSENT AGENDA:

Cuyama Valley Recreational District facilities use application and agreement for 1. the use of the high school outdoor basketball courts. Pg. 41-42

Moved By: Heather Lomax 2nd By: Emily Johnson

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

Since the face mask mandate/requirement is going away, Mrs. Laura Price asked if the Cuvama Valley Recreation District can use the gymnasium. Mondays and Wednesdays from March 28 - May 13th after school. Mrs. Laura Price said that they would be willing to pay a fee for the use of the gym. The board made a motion to approve the facilities request for the use of the gym and to charge no fees. The district students are benefitting from the use of the gym by the Recreation District. The district has priority rights in case there is a conflict for the use of the gym. In that case, the Recreation Center can use the outdoor basketball courts on that specific date.

Laura Price: I will be emailing a copy of this information to each of you board members. I am very aware of the financial struggles and daily functions of the school district. I will express cause for current issues. Restrooms unsupervised, a truant student who is not attending class. On Monday, March 14, 2022, student A lured student B to C-building and caused a violent attack. There is video of the event. On Tuesday, March 15, 2022, I received a phone call to get my daughter. My daughter never attacked anyone. Both students in altercation should have not been at school. On Tuesday, as I walked to the office, a student
blurted out a profane word "F Off" and not a word was said. I got a copy of the video of the altercation. I explained the issues to Mr. Gamino and provided him a copy of the video. I'm in awe. I don't feel safe sending my daughter to school and that needs to be addressed. I can get video for you. I can supervise restrooms on campus for free. We need to take back our school. The only reason my daughter is returning to school is because of Mrs. Angelique Cannon, Mrs. Jennifer Stancliff, and Mrs. Kendy Fetterman. I'm devastated. I feel these students have taken school over. We need to take our school back. Mrs. Laura Price pointed to specific student handbook violations that were violated by students.

Liz Alarcon: My daughter was attacked at school on Monday, March 14, 2022. She's afraid to stay at school. We have to drive her to school each day. She can't go to the restroom. She is terrified at the girl and they have two classes together. This girl did wrong. I feel Sasha, my child, should not be afraid to come to school. On Tuesday, the other girl threatened my child, and nothing happened. She should have been suspended immediately.

III. Action Items:

a. It is recommended that the board discuss and approve the 2021-2022 Consolidated Application (Con App) for funding. The California Department of Education uses the Con App to distribute categorical funds from various state and federal programs. Board approval date for the application is required. The application is to be board approved in March of 2022 and submitted on or before March 31, 2022. **Pg. 1-2**

Roll Call Vote:

Heather Lomax Y Whitney Goller Y Marcela Medina Ab Emily Johnson Y

Jan Smith Ab

Mrs. Goller (Board President): Reviewed the different federal Title funds that the district receives and the process of the District English Language Advisory Committee (DELAC) committee approving the expenditures at meetings.

Mr. Gamino stated that getting School Site Council and District English Language Advisory Committee (DELAC) members to meetings has been a challenge every year. Mrs. Laura Price is one of the parents that consistently attends the meetings as a SSC representative. We do involve parents in the LCAP meetings as well. We had an election earlier this year to elect SSC and DELAC representatives for the 2021-2022 and 2022-2023 school years.

Mrs. Terri King: Reviewed the types of Title funds that the district receives and where the funds are spent. For example, Title I funds are spent on instructional aides and the Teacher on Special Assignment for some of her duties.

Approved 3-0

IX. CLOSED SESSION: No closed session

NOTE: The Brown Act permits the Board to consider certain matters in closed session, in limited circumstances. The Board will consider and may act upon any of the items described below in closed session. The Brown Act requires that the Board report out certain actions taken in closed session, which will be announced following the closed session. WITH LIMITED EXCEPTIONS, THE LAW REQUIRES THAT INFORMATION DISCLOSED IN CLOSED SESSION REMAIN CONFIDENTIAL.

VIII. ADJOURNMENT:

Approved 3-0

Meeting adjourned at 5:34 p.m.

Materials prepared in connection with an item on the regular session agenda may be reviewed in the Superintendent's office 72 hours in advance of the meeting and will be available for public inspection at the meeting. An individual who requires disability-related accommodations or modifications, including auxiliary aids and services, in order to participate in the Board meeting should contact the Superintendent or designee. (Government Code 54954.2)

The next regularly scheduled School Board Meeting will be on Thursday, April 14, 2022; 6:00 p.m., Elementary School Board Room

Materials related to an item on this Order of Business distributed to the Board of Education are available for public inspection at the District office and at: https://cuyamaunified.org/boardmaterials-2021-2022/ using the "Click Here" links next to the date: 03/10/2022. USE OF RELAXED TELECONFERENCE PROCEDURES PER GOVERNOR'S COVID-19 EXECUTIVE ORDER: Notice of Teleconferencing Pursuant to Executive Order N-25-20 and Government Code section 54953: In order to mitigate possible impacts relating to the Coronavirus (COVID-19), the Board will conduct this meeting via teleconference or videoconference, with one or more board members participating from remote locations. Members of the public wishing to observe the meeting or make public comments as authorized under Government Code section 54954.3 may do so at the following location: 2300 Hwy 166, New Cuyama, CA 93254, or via electronic participation by accessing the link provided as the beginning of the agenda. Voting at this meeting shall be by roll call.

Student Field Trip Request Form 3B Rev. 06/24/2019

Senior Class Trip

We would like to propose a trip for the seniors to apply the knowledge they have gained in school to real world situations. During the senior year students learn multiple skills from different types of classes, they get to explore what subjects interest them. However, something that can be overlooked in the classroom is the application of their interest into the real events. This opportunity would allow students to use their skills and solve problems. Disneyland is a place that can offer students experience in a wide array of subjects; from characterization to drama, economics to animatronics, and literature to psychology.

In order to help students gain an understanding of their skills they will go to Disneyland and complete an assignment. Each assignment will be graded by the teacher of the appropriate subject. The students will be accompanied by two teachers, Mr. Lebsack and Mrs. Stancliff. Due to the size of the senior class the vans would suffice for transportation.

Gov./Econ

Objective

The learner will (TLW) how, why, what, and to what degree: TLW understand the relationships of supply and demand by applying real world applications using a scavenger hunt and a survey with 100% completion.

CCSS Standard

Principles of Economics

HSSS.12.2 Students analyze the elements of America's market economy in a global setting

1. Understand the relationship of the concept of incentives to the law of supply and the relationship of the concept of incentives and substitutes to the law of demand.

2. Discuss the effects of changes in supply and/or demand on the relative scarcity, price, and quantity of particular products.

4. Understand the process by which competition among buyers and sellers determines a market price.

Vocabulary

Law of supply, law of demand, market price

Law of demand: how do people react to changing price in terms of quantities of good or service that they purchase?

Law of supply: as the price rises for a good, the quantity supplied raises, as the price falls, the quantity supplied also falls.

Assignment

The student will be given a list of scavenger hunt items that they must find at Disneyland. They will conduct a premade survey on five consumers at the park asking them what they think fair price would be for those items or if the item can't be found at Disneyland how much would that person be willing to pay for that item. After the trip the student will have to compare the prices of the items at Disneyland, to the opinions of the consumers, and what market value is outside of the park.

The student will create a presentation with a graph of the supply and demand averages that they found at the Park. In their presentation they will have to have representation of three items at varying degrees of supply and explain the impact of supply and demand based on those examples. The student will have to hypothesize how they think the availability of the items affect those costs, and how the costs would be affected if the availability changed.

English 12

Objective

The learner will (TLW) how, why, what, and to what degree:

TLW analyze different interpretations of a story by gaining interest in one attraction and comparing that attraction to Disney portrayal and the actual story of that attraction by creating a presentation to evaluate how each version interprets the source to completion.

CCSS Standard

CCSS.ELA.RL.11-12.7 analyze multiple interpretations of a story, drama, or poem (eg. Recorded or live production of a play or recorded novel or poetry), evaluating how each version interprets the source text. (Include at least one play by Shakespeare and one play by an American dramatist)

Assignment

The student will choose an attraction at the Disneyland Park and take at least 3 pictures of that attraction. The student will have to complete an interview on someone on their interpretation attraction. Interview questions will be provided. The student will then have to compare the attraction to the Disney Movie and the corresponding literature piece. The student will have to insert their photos into their comparison report.

Example 1: if the student choses to pick Toon Town as their attraction they can conduct an interview to someone in line about the attraction. The student will then have to compare the attraction to the movie Who Framed Roger Rabbit, and compare both of those to the novel Who Censored Roger Rabbit by Gary Wolf.

Example 2: The student could choose Cinderella's castle and compare the attraction to either the animated or live action Disney Movie, and to the Grimm Fairy Tale.

English 12

Objective

The learner will (TLW) how, why, what, and to what degree:

TLW create their own narrative by gathering inspiration from different areas of the park to enhance creative expression to completion.

CCSS Standard

CCSS.ELA.W.11-12.3 write narratives to develop real or imagined experiences or events using effective technique, well-chosen detail, and well-structured event sequences.

A. Engage and orient the reader by setting out a problem, situation, or observation and its significance, establishing one or multiple point(s) of view, and introducing a narrator and/or characters; create a smooth progression of experiences or events

B. Use narrative techniques, such as dialogue, pacing, description, reflection, and multiple pot lines to develop experiences, events, and/or characters.

C. Use a variety of techniques to sequence events so that they build on one another to create a coherent whole and build toward a particular tone and outcome (e.g. a sense of mystery, suspense, growth, or resolution).

D. Use precise words and phrases, telling details, and sensory language to convey a vivid picture of the experiences events, setting, and/or characters.

E. Provide a conclusion that follows from and reflects on what is experienced observed, or resolved over the course of the narrative.

CCSS.ELA.W.11-12.6 Use technology, including the internet, to produce, publish, and update individual or shared writing products in response to ongoing feedback, including new arguments or information.

Assignment

The student will be given a list of events that they will have to take a picture of. Each picture will represent parts of a story, i.e. setting, character, conflict, resolution, etc. The student will take those images and create a narrative story. The pictures will be inserted into their narrative.

Ag Art

Objective

The learner will (TLW) how, why, what, and to what degree:

TLW recreate an 3D animatronic from Disneyland that moves on one axis to show their understanding of mechanical motion with at least 80% accuracy.

CCSS Standard

VA9-12.2.6 Present a universal concept in a multimedia work of art that demonstrates knowledge of technology skills.

Assignment

The students will find an animatronic that they are interested in. They will take a video of the animatronic for reference. After the trip they will have to build a working model that moves in one working direction. Students will be given a checklist of things to look for prior to arriving at the park.

Psychology

Objective

The learner will (TLW) how, why, what, and to what degree:

TLW conduct a social experiment based on human compliance and group behavior by conducting a hypothesis, analyzing how people conform, and relaying their results to show understanding in group behavior with at least 80% accuracy.

Standard

Content Standard 2 Social Influence

- 2.1 Describe the power of the situation
- 2.2 Describe effects of others' presence on individuals' behavior
- 2.3 Describe how group dynamics influence behavior
- 2.4 Discuss how an individual influences group behavior

Vocabulary

Compliance, identification, internalization, cognitive dissonance, counter attitudinal behavior, self-justification, self-fulfilling prophecy, conformity, obedience,

Assignment

The student will create an observational social experiment. The student will have to identify their hypothesis, method, and report on their results from the experiment in a media of their choice.

The student will find an example at the Disneyland Park of conformity and create a social experiment on this example. After their experiment they will need to answer the following questions; how does compliance relate to conformity, do you think that conforming to a group is always a negative thing to do, compare an example of conformity to an example of when someone doesn't conform to society's standards. What are the results of nonconformity from this example? If there are no examples of nonconformity explain the effects of compliance.

Drama

Objective

The learner will (TLW) how, why, what, and to what degree:

TLW analyze how cultural, global, and historic belief systems affect creative choices by exaimining an actor's response to a crowd with at least 80% accuracy.

Standard

Prof.TH:Cn11.1a explore how cultural, global, and historic belief systems affect creative choices in a drama/theatre work.

Prof.Th:Pr4a examine how character relationships assist in telling the story of a drama/theatre work. Shape character choices using given circumstances in a drama/theatre work.

Assignment

The student will identify a character at the Disneyland Park, and take a picture of the character interacting with others. The student analyze how does actor interacts with the crowd to recreate an image.

The student will need to compare and contrast their chosen character to the historical role of that character. They will complete a presentation on their findings.

Summarize the experience you had or witnessed with the character and the crowd. What kind of mood or feeling did you get form this actor? What did the character do to give you this impression? Do you think this is an accurate portrayal of the character compared to their story? How does this character interact with the crowd? What role did this character played in history/historical literature? When comparing the work of the history/historical literature, how did our current culture shape how this character was portrayed at Disneyland? How does that actor's portrayal shape the image of the character?

CUYAMA JOINT UNIFIED SCHOOL DISTRICT FACILITIES USE STATEMENT APPLICATION & AGREEMENT FOR USE OF SCHOOL PROPERTY STATEMENT OF INFORMATION

Legal authorization for use of school property for public purposes shall be determined by the Education Code, State of California – Division 12, Chapter 4 – PUBLIC USE OF SCHOOL PROPERTY FOR PUBLIC PURPOSES, Section 40040 through 40058, inclusive.

Applicant hereby agrees to hold the Cuyama Joint Unified School District, its Board of Trustees, the individual members thereof, and all District Officers, agents and employees true and harmless from any loss, damage, liability, cost or expense that may arise during or be caused in a way by such use or occupancy of school property.

The above signed hereby certify to the best of their knowledge, the school property for use of which application is hereby made will not be used for the commission of any unlawful act, and further certify they will be personally responsible on behalf of the applicant for any damages sustained by the school building, furniture or equipment, accruing through the occupancy or use of said building by the applicant.

The above signed states that, to the best of their knowledge, the school property for use of which application is hereby made will not be used for the commission of any act intended to further any program or movement the purpose of which is to accomplish the overthrow of the government of the United States by force, violence, or other unlawful means;

That the organization on whose behalf they are making application for use of school property, does not, to the best of their knowledge, advocate the overthrow of the government of the United States or of the State of California by force, violence, or other unlawful means, and that, to the best of their knowledge, it is not a Communist action organization or Communist front organization required by law to be registered with the Attorney General of the United States.

The organization shall comply with all restrictions placed on the use of the school facilities by law or district policy or regulations.

The organization recognizes that, in accordance with Education Code 38134, it is liable for any damage to the school facilities or for any injury to any person due to the organization's negligence in using the school facilities.

This statement is made under penalties of perjury.

Founded in 1997 to fund music educationfor children through projects by Phish fans Cuyama Valley High School Guitar Class Cuyama Joint Unified School District 2300 Hwy 166 New Cuyama, CA 93254

Greetings!

As you may know, Phish's fall tour included performance in Santa Barbara at Santa Barbara Bowl, on October 26th. As fans, we are aware of the impact visiting fans may have on the community in and around Santa Barbara. As music lovers, we want to utilize attention regarding that visit to increase support *for* music education. And we're particularly impressed by work Cuyama Valley High School Guitar Class does.

Therefore, please find enclosed a check (#1141, for grant #N#N231) for \$1000 to support your music education efforts. We're honored to help bring the power of music from our community to yours, and to support the wonderful work that you are doing.

Additionally, we'd love to share a blog post on mbird.org, if there is anything you might be able to say how the money might be used. Phish fans will be glad to know what their contributions have paid for, we are always glad to relay to others the kinds of needs music programs such as yours may have, and others might be encouraged to provide additional support if they knew something specific about what their contribution(s) would support.

With this check, the Mockingbird Foundation has now made over 530 grants in all 50 states totaling over 1.9 million dollars. Each grantee works to bring the power of music into the lives of a particular group of children. Grants are funded through donations, special events, and curated art and other merchandise, including the three editions of *The Phish Companion* and the double-disc "tribute" *Sharin' in the Groove.* All projects are on a volunteer-only basis, and all net proceeds are donated to music education. We invite you to our website for more information about previous grants, fundraising efforts, and other ongoing projects.

On behalf of the Mockingbird Foundation and Phish fans everywhere, thank you for all that you do - and thank you for allowing our community to visit yours.

Regards,

Adam Scheinberg Board President

Fundraising Request Form Form 6A Revised 8/15/2019
Terri King

From:	U.S. Department of Education <no-reply.survey@max.gov></no-reply.survey@max.gov>
Sent:	Wednesday, March 23, 2022 10:16 AM
То:	Terri King
Subject:	Thank you for Submitting the FY 2022 SRSA Application!

Dear Theresa King,

This email confirms that Cuyama Joint Unified has submitted an application for fiscal year (FY) 2022 Small, Rural School Achievement (SRSA) grant funding. A summary of your responses is included at the end of this email and serves as a copy of your application.

Your application tracking number is: S358A220234. If you need to update any information submitted in this application, contact the U.S. Department of Education immediately at <u>reap@ed.gov</u> and include the tracking number above in your email to help us identify your grant application.

Next Steps

- Active UEI/DUNS Number: Each LEA will need a UEI/DUNS number that is registered and active in SAM.gov to
 access SRSA grant funds in the G5 system. You can check your UEI/DUNS number registration status
 on <u>SAM.gov</u> by logging into your SAM.gov account directly. If you do not have a SAM.gov account or need
 assistance, contact the SAM Federal Service Desk by phone (1-866-606-8220) or Live Chat (<u>FSD website</u>).
- <u>G5 Account and Payee Access</u>: You will also need to ensure the correct LEA personnel have a G5 account *and* payee access to manage SRSA grant funds in <u>G5.gov</u>. To start, please follow the steps in this <u>guide</u>. If you have questions about the process, contact the G5 Help Desk directly using the contact information provided on the last page of this guide.
- <u>Grant Award Notification (GAN)</u>: When the Department issues grant awards, each recipient LEA will receive a GAN through G5.gov. When the LEA's GAN is available, an email will also be sent to the Authorized Representative and secondary contact. Please note, if you provided updated contact information during the application, we will update our records to ensure future communications are sent to the newly provided contact(s).
- The U.S. Department of Education will make awards on or after July 1, 2022.

REAP and SRSA Resources

- SRSA Information (general SRSA grant program overview)
- <u>Uses of Funds Guide</u> (example uses of funds aligned with applicable ESEA Title programs)
- <u>REAP Informational Document</u> (comprehensive overview of REAP including frequently asked questions)
- <u>UEI/DUNS Resources</u> (information on UEIs, DUNS, and SAM including frequently asked questions and support guides)
- <u>Additional REAP Resources</u> (list of helpful resources and links for REAP grantees)

Sincerely,

The Rural Education Achievement Program (REAP)

Office of Elementary and Secondary Education, U.S. Department of Education 400 Maryland Ave. SW | Washington, DC 20202 202-401-0039 | reap@ed.gov

Theresa King

Form A: Applicant Info Sheet

2021–22 California Community Schools Partnership Program: Planning Grant

Request for Applications

Please complete the following:

Local Educational Agency (LEA) Name: Cuyama Joint Unified School District

LEA's County-District-School Code: 42 75010 0000000

LEA's Mailing Address:

2300 Highway 166 New Cuyama, CA 93254

Primary Contact:

Name: Alfonso Gamino Title: Superintendent/Principal Phone: 661-766-2642 Email: agamino@cuyamaunified.org

Secondary Contact:

Name: Patricia Lopez Title: K-12 Counselor Phone: 661-766-2293 Email: PLopez@cuyamaunified.org

If applicable, as described in California *Education Code* (*EC*) 8901(g)(2), list the school(s) on whose behalf the LEA is applying and the factors that warrant the school's consideration, including but not limited to, fulfilling an exceptional need or providing service to a particular target population: Cuyama Elementary School (K-8th grade)

Cuyama High School (9th – 12th grade)

The factors that warrant consideration are that we are a small district of a total K-12 enrollment of 178 students. Approximately 80% of our students are classified as low socioeconomic, 85% are Hispanic. About 27% of our students are English Language Learners. This grant will allow the district to work with partners and the community in establishing a community-based approach to supporting children from early years through the first two years out of high school.

If applicable, if the LEA is applying as part of a consortium, as described in *EC* 8901(g)(3), list the additional LEA(s) and/or cooperating agency(ies) that form the consortium: LEA is applying as an individual district, not a consortium.

If applicable, list the county behavioral health agency, federal Head Start or Early Head Start program or other government-funded early childhood program or agency or childcare program or agency within a public institution of higher education, as described in *EC* 8901(g)(4-6), with which the LEA will partner: The Cuyama Joint Unified School District LEA will partner with the Cuyama Family Resource Center to work with families and children 0-3 years old. The district will also work with CommUnify to track our Cuyama community Head Start students. Currently, CommUnify students are housed in the Cuyama Elementary School District. The district is also working with Santa Barbara Behavioral Health to provide Tele-Therapy services to students and families.

I support this application for a California Community Schools Partnership Program (CCSPP) planning grant. I assure that the LEA applying for the CCSPP planning grant does not have any existing community schools as defined by the California Community Schools Partnership Act as part of *EC* Sections 8900–8902. The LEA will adhere to the intent and letter of the California Community Schools Partnership Act a long with the grant requirements and specifications identified in the Request for Applications. By signing/typing your name electronically, you are agreeing that your electronic signature is the legal equivalent of your manual signature on this Form, including approval of all CCSPP application items (The 2021–22 CCSPP Application Questionnaire, Project Abstract, LEA and Site Participation Sheet [optional], and Budget Worksheet). Sign and date below.

E-Signature of LEA Superintendent or Designee	Date

Form B: Project Abstract

2021–22 California Community Schools Partnership Program: Planning Grant Request for Applications Cuyama Joint Unified School District

The Cuyama Valley is a small, rural, geographically isolated community of 1,800 residents, with 155 children ages 0-12 years old and 68 ages 13-18. More than half of the children are Hispanic and over a third of the residents speak Spanish inside the home. Over 75% of households with children in elementary school live in poverty and both the elementary and high school are Title 1 schools. There is limited access to resources in the area due to the geographic isolation, however core services are offered through Cuyama Joint Unified School District (CJUSD), the Cuyama Valley Family Resource Center (CVFRC), and CommUnify (Community Action Partnership and Head Start contractor for the county).

These organizations began a formal partnership (Consortium) in 2021 to build on existing services and create a local, coordinated early learning prenatal-to-grade three system through a 9-year grant from First 5 Santa Barbara County. The Community Schools Partnership program (CSP) will serve as the umbrella initiative for this Consortium, embedding the early learning work as well as other community initiatives, such as Universal PreKindergarten, into one cohesive, community-based 'cradle to career' system of care for all children ages 0-18.

This CCSPP planning grant creates the opportunity to establish the necessary coordination and alignment across all initiatives within the community in order to build a coherent and unified vision, aligned day-to-day coordination and collaboration, and effective engagement and communication strategies with families and staff. The initiative will be guided by the following vision and mission statements:

- **Vision:** All children in the Cuyama Valley thrive in school and life, and families support their child(ren)'s school readiness and success. Trusted relationships elevate the whole child, the whole family, and the whole community.
- **Mission:** The Cuyama Valley Community Schools Partnership will create an equitable and sustainable, child- and family-centered community school system that recognizes students' innate strengths and abilities and builds capacity for learning, resiliency, engagement and creativity. The Partnership will develop and sustain trusted relationships among students, parents, community stakeholders and allies, to support and enhance existing resources that will embrace and elevate the whole child, the whole family and the whole community.

The CSP effort in the Cuyama Valley will be led by CJUSD and core Consortium partners - CVFRC and CommUnify (Head Start Contractor). Families, teachers, staff and other current partners, such County of Santa Barbara Health and Mental Health departments and the Santa Barbara County Promatores Network, will be strategically engaged in the work early on. The CJUSD mission statement is well aligned with the goals and objectives of the CCSPP grant and begins with: The mission of the Cuyama Joint Unified School District is to work cooperatively with community, students, and staff to foster an environment that encourages and expands our student's intellectual, creative, and social horizons.

The planning process will involve facilitated partner conversations aimed at establishing a shared understanding and culture that embraces the CSP model. In consideration of the workforce shortage in Cuyama Valley and the typical time needed to hire a new staff position (6+ months), CJUSD will contract with a consultant with expertise in CSP (Consultant) to ensure the immediate launch of the planning process and provide the leadership and expertise necessary to train the new CSP Coordinator, once hired.

Collaborative leadership and shared decision-making- The Consultant will collaborate with the CSP Coordinator and the CVFRC's Early Learning (EL) Coordinator to convene parents, partners, service providers, and community leaders to garner support and facilitate cooperative planning. The Coordinators will work with partners to build the capacity to create systems that support the implementation phase.

Family and community engagement- Culturally sensitive and inclusive outreach and engagement strategies will be identified, building on currently successful initiatives, and implemented through a partner network, as one community-wide effort. Partners, promotoras, and local organizations will help ensure that all families know about the project and services. Parents are an integral part of the current service design and will be invited and incentivized to build their leadership role in the CSP and Early Learning initiatives.

Integrated support services - Planning for the CSP initiative will be integrated with the Early Learning initiative implementation, which aims to eliminate or reduce income-based social, cognitive, and achievement gaps among young, at-risk children living in the Cuyama Valley, prior to entering Kindergarten. This plan outlines a set of strategies and supports from pregnancy through age 8 to improve outcomes and school readiness of young children in the Cuyama Valley and to better prepare them to succeed in school and life at large. Related services are currently provided through the CVFRC, Head Start, Transitional Kindergarten, and Kindergarten through grade 12.

A major focus of the CSP planning grant will be to build the knowledge base and capacity of birth - 12th grade teachers and leaders through professional development and a professional learning community. Emphasis will be placed on trauma-informed services, planning to address student needs and learning loss, effective coordination strategies and capacity building.

Extended/ expanded learning time and opportunities - Partners have begun strategizing ways to extend learning opportunities for Cuyama's children using the current services in place through the Universal Prekindergarten planning grant. Possibilities that are being considered include extended hours of care through Head

Start, ensuring all eligible children who are attending programs available to them, and summer school for 4 and 5 year olds.

The CSP Coordinator will work with the EL Coordinator and partners to conduct a needs study and create a framework for assessment and continuous improvement. The current and integrated services will be tracked and impact will be measured on academic, social, and emotional indicators. A committee will be engaged to oversee the implementation of the framework, as well as the engagement of key community sectors. There will be a focused effort to ensure local families are actively involved and take on leadership roles. The Coordinators may also plan presentations to the broader community about the CSP and Early Learning models to encourage community participation.

The children in the Cuyama Valley face multiple challenges related to the achievement gap, most notably poverty, language barriers, and a lack of community services.

The COVID-19 pandemic has exacerbated conditions associated with poverty, including food insecurity, housing and employment instability, and inadequate health care in Cuyama Valley. One indicator of this impact is the community's need for food distribution services, which quadrupled during the height of the pandemic, and is currently double the pre-pandemic level. At one point, the program was providing 90% of household food for 49% of the participating local Cuyama Valley households.

This grant will allow the district and partners to identify lingering effects of the pandemic and plan to provide trauma-informed integrated educational, health, and mental health services to students with a wide range of needs from early years to their first two years out of high school. The ultimate goal is to improve the nature and quality of family engagement with children and with the schools, programs, and systems that serve them to promote optimal school and life outcomes.

Project Budget Instructions

California Community Schools Partnership Program - Planning Grant

California Department of Education

February 2022

PURPOSE

The California Community Schools Partnership Program (CCSPP) Project Budget is the proposed build Grant application.

DOCUMENT INSTRUCTIONS

The Project Budget requires completion of the following worksheet tabs: 1) Contact Information; 2) Budget Summary; 3) Year 1; and 4) Year 2

1. Contact Information: Enter the following information: 1) Applicant Local Educational Agency (LEA) District-School (CDS) Code; 3) Total Grant Award Amount, enter the amount of grants funds being req Name; 5) Program Contact Title; 6) Program Contact Phone number; 7) Program Contact Email addre Contact Name; 9) Secondary Program Contact Title; 10) Secondary Program Contact Phone number; Email address;. When all information is complete, obtain the Superintendent, or authorized designee's completing the following: 12) Enter the name and title (if designee); 13) Enter the signature of the indiand 14) Provide the date of approval/signature.

2. Budget Summary: Program information will auto-populate from the Contact Information tab. Budge from the annual proposed budget worksheets (Tabs 3 and 4).

3. Year 1: Program information will auto-populate from the Contact Information tab. Enter the following funds to be used by Object Code; 2) District and Community Matching Funds by Object Code; and 3) a corresponding Object Code. Expand the rows, if needed. Matching funds should meet or exceed one-

4. Year 2: Program information will auto-populate from the Contact Information tab. Enter the following funds to be used by Object Code; 2) District and Community Matching Funds by Object Code; and 3), corresponding Object Code. Expand the rows, if needed. Matching funds should meet or exceed one-

Background of the Cuyama Valley Early Learning Plan

The development of this Early Learning Plan (ELP) was made possible by a 2021-2022 planning grant from First 5 Santa Barbara County (First 5) to the Cuyama Valley Family Resource Center (CVFRC) and was developed through a partnership with the CVFRC, the Cuyama Joint Unified School District and CommUnify. First 5's intent of the ELP is that Cuyama and other regions in Santa Barbara County build on existing local resources and develop a unified, integrated system of services for children and families specifically directed toward prenatal - grade 3 school readiness and success. During the planning year, the statewide Universal Prekindergarten (UPK) initiative rollout began, which is a requirement for all LEAs. This ELP aligns with and sets the foundation for the UPK planning. The Cuyama Valley Early Learning Plan will be the umbrella for the First 5, State, and any other initiatives that support children prenatal - grade 3 and their families.

The goal of the First 5 ELP project is to improve the lives of children in such a way as to eliminate opportunity gaps, essentially "turning the corner" on risk factors that impede children's readiness for successful school and life experiences. The focus on children prenatal through grade 3 and their families is based on research that demonstrates that starting early can have major short and long-term effects on cognition and social emotional development, as well as on school progress, earnings, reduction in anti-social behavior, lowered welfare participation, and decreased likelihood of engaging with the criminal justice system¹.

This Cuyama ELP is designed to generate a long-term positive impact on children's achievement through the coordination and leveraging of resources which will create a comprehensive system of early education and support. The involved organizations are confident that this effort, and the resulting increase in opportunities for learning will eliminate income-based achievement gaps for children most at risk for school failure by the end of third grade.

The goals for Cuyama's early learning system are:

- 1. Cuyama Valley children are ready for school and learning based on state standards.
- 2. Cuyama Valley families are actively engaged and serve as strong supporters of their child(ren)'s early learning.
- 3. Cuyama Valley systems-building is in place to support alignment and coordination from birth through 3rd grade

First 5's assumptions and guiding principles that shape the ELP and reflect research regarding children's development and learning are a guidepost for the ELP goals and activities:

1. **Birth through Third Grade:** The foundations for building children's brain architecture, language and skill acquisition, and relationships with others are established early, however take time to reach their full potential. We must go beyond a single year of preschool and broaden to include birth to age 8. When we maintain a continuity of effort from birth to age 8, children are more likely to achieve lasting success in school and beyond.

¹ http://jenni.uchicago.edu/humaninequality/papers/Heckman_final_all_wp_2007-03-22c_jsb.pdf

- 2. Schools as Hubs: Schools can serve as the "hub" for complex learning systems, connecting children and families to resources within and beyond school walls. Schools have the potential to span conventional silos, overcome traditional barriers, and become connectors across communities and different age groupings, becoming a source of long-term continuity for children and families.
- 3. Vertical Articulation and Alignment: From a newborn infant to a competent and confident third grader, sustained learning doesn't occur in isolated fragments. Only when skills and emerging capabilities are followed up, supported, and extended is it likely that new skills and new capacities will be acquired and become reliably present over time.
- 4. **Parent-Family Engagement and Support:** Parents and families are key to children's success and are our most powerful allies in supporting and enhancing their children's strengths and abilities. But families know too well the personal stress and toxicity that can accompany poverty and social inequality. Active family engagement and support are central to our work and to children's growth.
- 5. Professional Growth and Support: Enhancing the skills of teachers, caregivers, and supervisors/directors is crucial. Educators equipped with research-based knowledge about children's development and learning can maximize the effectiveness of educational experiences for children utilizing authentic assessment learning systems to identify and address diverse learning needs. When the ability of caregivers, teachers, and administrators to translate research into practice is enhanced, children thrive.
- 6. **Persistence and Planning:** The earlier we begin working with children and families placed at risk, and the more persistent, consistent, and well-designed our efforts are, the more likely it is that children will be launched on a path toward life success. Once a system is established the sustainability of effort will become part of the culture of a district.

If the plan is approved by First 5, implementation grants will be available for up to 8 years and those funds will be leveraged to secure the resources needed to realize the plan's vision (FY 2022-2029). Seed funding (\$50K per year) for this plan will be provided by First 5 and will be used initially for facilitation of the planning, integration of services, and implementation of the activities. First 5 will also assist in securing additional funding if needed. The intention of this plan is to be a living document and that local partners will align their services to the plan, work together to guide and implement the work, and act collectively to raise funds for additional services.

Leveraging Opportunities

This is a unique time in history, where a dramatic increase in resources and attention is being paid to early learning locally as well as at the State and Federal levels. The Cuyama Valley Early Learning Plan offers the opportunity to use First 5's funding and support to influence policy and programming and be ready to draw down those additional resources that will build a comprehensive and coordinated early learning system. The key partners for this plan - the Cuyama Valley Family Resource Center, Cuyama Joint Unified School District and CommUnify - are already leveraging time, energy, programming and resources towards the accomplishment of the goals. The following are two of the most potentially impactful initiatives from which the partnership will draw the needed funding and support to accomplish some of the project's vision. The Universal PreKindergarten Initiative (UPK) was launched in December of 2021 by California's Department of Education. The UPK vision is that it "will provide a strong and early start to education for all children with high-quality, joyful, developmentally informed, inclusive, and rigorous prekindergarten (pre-K) through third grade (P-3) learning opportunities—beginning with equitable access to universal prekindergarten (UPK)." Funding, guidance, and supports are now being rolled out to all districts across the state, with the expectation that districts will partner with community early learning providers to create a robust system that serves all eligible children. TK is an integral component of the mixed delivery system of UPK.

The PN-3 Model, after which the Early Learning Plan is a vertically and horizontally aligned system that connects services for prenatal to age 5 with the TK-through-grade 3 system. As well, the Cuyama Joint Unified School District (CJUSD), like all districts in California, has been given the responsibility to work with partners to incorporate strong early learning goals, strategies, and intended outcomes of early learning initiatives, including UPK, into its Local Control Accountability Plan (LCAP). In doing so, CJUSD can establish the core of the Early Learning Plan as part of the district's overall plan and track results.

The Community Schools Partnership model and California planning grants (Cuyama has submitted an application for funding) offer the opportunity to integrate the ELP and UPK work under one aligned and coordinated system. A community school partnership is a "whole-child" school improvement strategy where the local educational agency (LEA) and school(s) work closely with teachers, students, families, community partners and local government to align resources to improve student outcomes for children birth through grade 14. If awarded to Cuyama, this grant will allow the district and partners to create an equity-enhancing strategy that acts as the aligning and coordinating umbrella for a wide range of state, district, community and school site initiatives. Potential new state investments to support the model include youth-focused behavioral health, nutrition, UPK, and expanded early learning initiatives, as well as ongoing efforts involving Multi-Tiered System of Supports, social-emotional learning, college and career readiness, and school improvement. The Planning grant is awarded for 2 years, and Implementation grants are for 5 years.

Overview of the Cuyama Valley ELP

The Cuyama Valley ELP is an 8-year plan designed to eliminate or reduce income-based social, cognitive, and achievement gaps among young, at-risk children living in the Cuyama Valley, prior to entering Kindergarten. This plan outlines a set of strategies and supports from pregnancy through age 8 to improve outcomes and school readiness of young children in the Cuyama Valley and to better prepare them to succeed in school and life at large.

With First 5 funds, the Cuyama Valley partners intend to hire an Early Learning Coordinator to oversee the project, facilitate alignment and coordination, and ensure the projects' goals are reached. Due to Cuyama's remoteness from other populations and potentially limited pool of qualified local individuals, additional funding will be needed to make the position full time at a competitive salary. With limited resources and infrastructure, Cuyama Valley needs a strong expert to see the project through. The coordinator will be tasked with bringing partners together to align services and assessments, work closely with leaders of other initiatives, understand and ensure a strong evaluation system, seek out additional key partnerships and resources and manage this First 5 grant under the guidance of CVFRC. Partners will dedicate time and resources to the implementation of this plan as part of their commitment to the goals. Details of the project and resources needed in the future can be found in the ELP Strategies section beginning on page 11.

The following chart illustrates possible contributing funding sources (green) as well as initiatives/organizations (blue) that feed into and/or contribute to this ELP work. As the work progresses, there may be shifts in the "umbrella" initiative for the project. For example, the new Community Schools Partnership plan may become one that encompasses all the work to support children and families in Cuyama Valley, and there may be new key partners added. Regardless of the order and detail of the work as represented in the chart, the partners are committed to coordinating and leveraging all resources to best support the community.

How this ELP was Created

This ELP was shaped through an intensive data gathering process. Information was gathered via the following tools to better understand the landscape of early learning in the Cuyama Valley and to lay the foundation for the development of strategies:

- An Asset Map was developed as an inventory of the strengths of the Cuyama Valley's services, agencies, and resources that strengthen parent practices and healthy development of children.
- A Needs Assessment that examines the Cuyama Valley's community, health, education, child and family welfare data was conducted in order to understand the demographics and needs of children from birth through age eight.
- Community Input Sessions and Focus Groups were conducted with key local stakeholders and parents to gather input on the plan. Families who have participated in various early learning services in the past as well as those who have not, shared their perspectives to help us understand what has worked and what can be improved.

Guiding Research Questions

The following questions guided the development of the ELP:

- What resources and services are currently in place and to what degree are they accessible to support children's early learning and school success? What else is needed? What are the barriers to access/engagement/participation?
- How can service providers and the school district collaborate to meet the ELP goals?

- What changes are realistic?
- How will change experienced by organizations, families, and children be identified, tracked, and measured?
- What is/are the most effective way(s) to engage residents, service providers, businesses, and the school district to fully invest and support the Early Learning Plan's vision and goals?
- How can funding from First 5, partner and district resources (Local Control Funding, Title 1), Universal Prekindergarten, and other sources be leveraged to meet the ELP goals?
- What is the most effective and feasible governance and leadership model for this project?

ELP Problem Statement

Many children in the Cuyama Valley are not ready for kindergarten and/or not thriving in school. There is a lack of resources for parents and children and an under-utilization of some services.

ELP Vision

All children in the Cuyama Valley are ready and thriving in school and life, and families support their child(ren)'s school readiness and success.

ELP Goals

The Cuyama Valley partners identified three high level early learning goals, based on guidelines from First 5, input from families and partners, as well as data and best practices. The strategies to meet these goals, along with the evaluation framework, can be found starting on page 11.

- 1. Cuyama Valley children are ready for school and learning based on state standards.
- 2. Cuyama Valley families are actively engaged and serve as strong supporters of their child(ren)'s early learning.
- 3. Cuyama Valley systems building is in place to support alignment and coordination from birth through 3rd grade.

Community Partners

- Cuyama Valley Family Resource Center (CVFRC)
- Cuyama Joint Unified School District (CJUSD)
- CommUnify (Early Head Start/Head Start)
- Cuyama Promotores
- Local Families

Other Possible Community Partners:

- CALM
- 4-H Club
- Community Health Clinic
- Cuyama Library
- Cuyama Valley Community Association Board
- Cuyama Valley Police and Fire Department
- Employers: Agricultural interests, E&B Natural Resources, Buckhorn

Restaurant/Motel, Santa Barbara Pistachios, and others

- Exchange Club
- Future Farmers of America
- Nonprofits: Quail Springs Permaculture, Blue Sky Center
- Places of Worship: Immaculate Conception Catholic Church, Cuyama Community United Methodist Church, Living Word Fellowship

Summary of Community Strengths and Challenges

The following are key findings from the Community Profile, Asset Map, and Focus Groups. This section highlights areas of strength as well as challenges within the Cuyama Valley that directly relate to the identified strategies with the ELP and UPK plan.

The Cuyama Valley is a Small Community

The Cuyama Valley is a small, tight knit community. There are 1,120 residents according to US Census 2019 data however due to the high number of undocumented residents it is estimated there are 1,800 people living in the Cuyama Valley. There are 421 households and 155 children ages 0-12 years old.

The Cuyama Valley is challenged by its geography – at the intersection of Santa Barbara County, San Luis Obispo County, Kern County, and Ventura County. Addressing issues that affect Cuyama Valley often requires coordination with more than one County government, administration, and agency structure, which can be a daunting task for such an isolated region. The remoteness of the Cuyama Valley requires residents to travel long distances to access basic needs. The nearest grocery store is 40 minutes away and the closest city with complete services is over one hour away. Additionally, there are no mental health services in the Cuyama Valley, however in 2021 the school district offered a new telehealth program. There is a community health clinic with a resident physician on-site one day per week. Most parents rely on out-of-town pediatricians. In small towns, economic stability is often tied to a select few employers. The historic stability of large employers has been good for the Cuyama Valley community. The economic challenges of those employers, as well as changes in employee/employer terms and conditions, and related issues such as Cuyama Valley's groundwater management issues, could also significantly and negatively impact residents.

Many Families are Economically Disadvantaged

The household median income in New Cuyama (\$55,833) is lower than Santa Barbara County (\$71,657). Eleven percent of the Cuyama Valley residents are living in poverty compared to 12.6% in Santa Barbara County^[1]. The Water Census Final Report (2020) survey^[2] estimated that 19.57% of Latino families are below poverty level and 11.8% of Non-Latino families are below poverty level. Additionally, the majority (82.4%) of students at CJUSD are socioeconomically disadvantaged and eligible for free or reduced meals. As a comparison, in 2020, 59.2% of students in California and 62.1% of students in Santa Barbara County were eligible for free and reduced meals.^[3] Home prices, though, are much lower than in other parts of Santa Barbara County. In New Cuyama, the median house listing was \$234,000 in February, 2022, and renters made up nearly 27% of the population in 2019.

Families Desire Parent Education, Engagement, and Support

In focus groups, parent participants shared a desire for guidance about developmental milestones, ageappropriate activities, and expectations about school readiness. Respondents also reported that parents need resources to help care for their children at home as well as more activities in the community (e.g. library, music, reading, etc.), and that there is a need for more early learning opportunities for children and parents. Input gathered from community members indicated that parents are interested in expanding their understanding of ways they can support their children to be ready when entering school. Community leaders and families want to work together to support success at the child level, family level, school level, and community level. Community leaders are interested in vertically aligned and coordinated parent engagement opportunities that begin prior to school entry and continue through school age. Community leaders discussed the role of the CVFRC and Head Start and ways to improve hand-offs to the school district that support parent education, engagement, and support.

There are limited High Quality Early Learning Opportunities, but Spaces are Available Providing effective early care and education to the community's children is a critical need for working parents, yet the Cuyama Valley has limited early care options, resulting in gaps that leave children underserved. There are no licensed small family child care (FCC) providers and no licensed large FCC providers in the Cuyama Valley. Fortunately, there is one high quality licensed child care center for 3 and 4-year-olds (Head Start) which serves low-income families with comprehensive services and has a capacity of twenty-four spaces. The district operates and ACEs afterschool program on campus which serves children TK- grade 6 and supports working families. Few children have been attending TK, but that will likely change with the UPK initiative. The Family Resource Center has offered early learning parent-child programming in the past which were popular with families. All partners are willing and able to expand as needed, including Head Start contracting with new family child care providers.

Research indicates that the effects of high-quality early care and education include statistically significant improvement in achievement test scores. Increases in math scores have been sustained through eighth grade, particularly for socio-economically disadvantaged children. Research also indicates that children enrolled in preschool are more likely to graduate high school and less likely to drop out of school, more likely to complete more years of education by age 21, more likely to be engaged in skilled jobs as adults, and less likely to have juvenile arrest than control groups.²

Improvement is needed on Indicators of Student Success

Focus group participants noted that some children are entering kindergarten with multiple challenges due to limited exposure to group settings, socialization, routines, and lack of literacy building activities prior to school entry.

- More than half (57%) of CJUSD students are classified as high-needs students (unduplicated pupil count).^[4]
- Grade assessment scores in 2020-2021 indicate that 13% of 3rd graders have met or exceeded math CAASPP goals and 13% have met or exceeded ELA CAASPP goals. CJUSD aims to see an improvement of 5% per year.
- During school years 2018-2021, the average number of reclassification fluent English proficiency (RFEP) students was 10. CJUSD's goal is to have an average of 6 RFEP students per year.
- The rate of chronic absenteeism at CJUSD was 11.3% in 2019, compared to 1.1% in CA.
- The suspension rate is also slightly higher at CJUSD (5.2%) compared to CA (3.4%).^[7]
- Alcohol use increased from 53% to 82%, as students progressed from 9th to 11th grade.^[8]
- More than half (64%) of students (all grade levels) indicated drugs were "very easy" to obtain.^[9]
- One fifth (20%) of students seriously considered attempting suicide.^[10]
- One a positive note, 66.7% of 9th graders report a high level of school connectedness.^[11]

² Meloy, B., Gardner, M., & Darling-Hammond, L. (2019). Untangling the evidence on preschool effectiveness: Insights for policymakers. *Learning Policy Institute*.

Sensitivity to language barriers is necessary to ensure inclusivity and equitable education and access opportunities in the Cuyama Valley although this issue is not as much of a barrier in the Cuyama Valley as in Santa Barbara County at large. Thirty seven percent of the Cuyama Valley families speak a language other than English at home compared to 41% in Santa Barbara County.^[12] The percent of English Learners at CJUSD is 20% compared to all English Learners in Santa Barbara County (25%) and California (19%).^[13]

Higher Education is Not Common in the Cuyama Valley

As of 2018 (the most recent data available) from the CA School Dashboard, 91% of high school seniors graduated from CJUSD, which is higher than the community educational attainment rate. According to the 2020 Water Census Final Report survey, only 81% of residents 18 and older completed 12th grade. Non-Latino families appear to have had more educational opportunities than Latino families in the Cuyama Valley: 66% of Latino residents completed 12th grade and 97% of non-Latino residents.^[14] Lastly, less than half (45%) of 11th graders' parents at CJUSD graduated from high school.^[15]

Cross-Agency Collaboration and Bi-Directional Data Tracking and Sharing is Desired Local community leaders noted the need and desire to establish formal collaborations to ensure bidirectional data tracking and data sharing, common goals, and cross-agency/organization team meetings. Interest was expressed in developing regular protocols to promote communication among school age teachers, Head Start teachers, and the CVFRC team.

ELP Strategies

Goal 1. Cuyama Valley children are ready for school and learning based on state standards

DOAL T. CUVAILLA VALLEY CITILUT	Ell ale leauy ini sciluc	Judi I. cuyania vaney cininten are ready for school and rearming based on state standards.	
Strategies	Activities Planning Year (2021-2022)	Activities Implementation Year 1 (2022-2023)	Activities Implementation Years 2 on (2023-2024 and on)
 Provide children (birth through grade 3) with high quality early learning experiences. Increase participation in high quality early learning opportunities (0-4 years). Ensure equitable and inclusive services are available for all early learners. Build articulation and bridging among ECE service providers, ECE and school age teachers, and school administration. 	Identify ways each partner can encourage families to send their children to available Head Start, TK, and other ELP services/programs. Track enrollment in ELP services.	Identify existing quality standards and best practices across all programming. Establish a leadership team of teachers and staff to research opportunities for articulation and bridging across ELP services and design a Network or PLC for early learning providers. Connect (and/or provide) teachers and staff with professional development opportunities. Assess family need for child care, in alignment with Head Start and UPK. Track children/student outcomes and performance measures; use data to inform decision making.	Set vertically aligned, mutually agreed upon quality standards for early learners across programs/organizations. Design, implement, and align a vertically aligned and coordinated plan for inclusive practices across all programming. Implement the Early Learning Network or PLC for early learning instructors, administrators, and staff to implement an articulation and bridging plan for prenatal to grade 3 instruction and support. Reasses demand for child care and increase licensed child care opportunities to meet demand. Consider Head Start

St	Strategies	Activities Planning Year (2021-2022) (Activities Implementation Year 1 (2022-2023)	Activities Implementation Years 2 on (2023-2024 and on)
ů.	Provide targeted professional development opportunities aimed at alignment, coherence, and comprehensiveness throughout all early learning classrooms.		Implement a continuous improvement plan and evaluation system to monitor student success that is reviewed regularly.	Home Based option and licensed Family Child Care to fill unmet needs. Regularly review data to reassess continuous improvement systems and decision-making effectiveness.

Early Learning cross-agency database.

- Long-term staff leadership to oversee the ELP and Community School Initiative (coordinator positions).
 - Additional staffing for partner agencies to allow for full implementation of the ELP.
 - Support to integrate Help Me Grow initiative into local infrastructures.
- Upgrade the existing data infrastructures to allow for effective data sharing and tracking.

ELP Evaluation Framework

The ELP evaluation framework is intended to align with a results-based accountability (RBA) model that assesses:

- How much did we do?
- How well did we do it?
 - Is anyone better off?

The following framework identifies key strategies and outcomes for each of the four ELP goals. Although evaluation tools that will be used are listed, additional refinement of this framework is needed in order to identify timeframes and frequencies of the assessments. It is hoped that additional funds will be secured to support the refinement of this evaluation framework as well as an upgraded data system that allows for sharing data with key partners.

Goal	Strategies	Outcome	Evaluation Tool
1. Cuyama Valley children are ready for school and learning based on state standards.	 Provide children (birth through grade 3) with high quality early learning experiences. Increase participation in high quality early learning opportunities (0-4 years). Ensure equitable and inclusive services are available for all early learners. Build articulation and bridging among Early Care and Education (ECE) service providers, ECE and school age teachers, and school administration. Provide targeted professional development opportunities aimed at alignment, coherence, and comprehensiveness throughout all early learning classrooms. 	 By 2025, 90% of all 4 year old children will attend Transitional Kindergarten (TK) or Head Start. By 2025 60% of children entering kindergarten have at least two years of early learning experience (Head Start/Early Head Start and/or TK or other ECE approved program). There is a 5% increase per year in the number of children who arrive ready for kindergarten as indicated by KSEP scores. There is a 5% increase per year in the number of students who achieve 3rd grade level proficiency with 35% meeting 3rd grade level proficiency in ELA and 28% meeting 3rd grade level 	DRDP Summaries Survey results CLASS summaries ASQ summaries KSEP ELPAC DIBELs CAASP ELA and Math assessments

Goal	Strategies	Outcome	Evaluation Tool
		 By 2025-2026 there is an average of six Reclassification Fluent English Proficient (RFEP) students per year by 3rd grade. By 2023, an early care network is established and meets regularly. 	
2. Cuyama Valley families are actively engaged and serve as a strong support for their child's early learning.	 Increase parent outreach and engagement efforts to increase access to and participation in ELP services. Improve parents' ability to support their children's early learning. Partner with local providers to create a comprehensive system of referrals and linkages to help parents support children's healthy development and early detection. 	 There is a 20% increase per year in the number of parents of children 0-8 years old who participate in parent engagement opportunities. By 2030, participating parents report a 50% increase in parental confidence. All children are screened for ACEs prior to kindergarten entry through CVFRC and the family wellness program through Head Start. 	PEFL PAPF ACES
3. Cuyama Valley systems building is in place to support alignment and coordination from birth through 3rd grade.	 Establish P-3 communication, data sharing, and collaboration systems to sustain ELP and UPK work. Use data to inform decision making. Use data to inform decision making. Build the Early Learning Project infrastructure, or "backbone", including leadership and government, as well as funding responsibilities and agreements. Establish a Community School Partnership as described in the California Department of Education Community School Partnership grant (due out March 2022), aligned with the ELP. 	 By 2030, the Cuyama Valley early learning system is aligned, coordinated, and family centered. LCAP integrates UPK and ELP goals and outcomes. 	P-3 System evaluation tool School Capacity Inventory Survey

ELP Budget

The proposed budget is based on funding anticipated from First 5's ELP implementation grant (\$50,000/year). However, costs have been added that are contingent upon the availability of additional funding sources, which may include UPK funds (estimated at approximately \$25K/year), the Community Schools Planning Grant (\$100K/year planning; more for implementation), as well as other funding from local foundations.

- communication with partners. Collaborates with Community School Coordinator on CCSPP and UPK initiatives all aimed at system changes to Community School Coordinator - (PT year 1, FT year 2 and on) Facilitate partner conversations aimed at establishing a shared understanding support data informed, child-centered, community-based services to support optimal school and life success for Cuyama Valley children. ELP Coordinator - PT, non-salaried position, includes 3% increase per year. Manage ELP work, oversee coordination and facilitation of
- and culture that embraces a Community Schools Partnership model, communicate with and convene parents, partners, service providers, and community leaders to garner support and facilitate cooperative planning, and facilitate, build capacity, collaborate, and work with partners to put systems in place to support implementation.
 - Other Contributing Staff Time Part-time contributions from: CVFRC Executive Director and Program Manager time; Head Start Director, Manager, and Site Supervisor; CJUSD Community Schools Coordinator, Superintendent/Principal, and K-12 counselor.
- Office Supplies and Materials Supplies for 6 parent gatherings/yr. Supplies from other funding sources may include: tablets, learning Genii, books, other educational resources, etc.
 - Equipment Laptop and software for ELP Coordinator. Other funding sources for the cost of interpretation equipment (10 headsets). **Fravel** - 400 miles (4 trips to Santa Maria) and trips to Cuyama Elementary 1/x week 500miles
- Training and Conferences Professional development.
- **Evaluation** Develop evaluation plan and systems to track and report on impact of ELP, UPK, and Community School work.
- upgrade, and build community data systems that include infrastructure for data tracking, data sharing, and data informed decision making. Subcontractors - Coordinate community input and strategic planning, integrate strengths and needs of all partners and community for the opportunities to build sustainability and infrastructure. Database development expert who will evaluate partner's current data systems, planning of Community Schools as well as UPK and ELP implementation. Grant writer tasked with researching CDE and other funding
- Parent Training and Stipends Child development and parenting class stipends for attending classes 50 parents x \$25. Other funding to cover Teacher Release Time - Costs for teacher training time and/or cost to pay for substitute.
 - 2 PIQE workshops/year @ \$8000.
 - Parent and Community Outreach Advertising, printing, giveaways to promote attendance, and webpage to broaden community understanding of initiatives.

Conclusion

alignment and coordination required in the other early learning resources that are coming available. The partners are deeply grateful to First 5 Santa Barbara County for providing this opportunity to support their work and look forward to continued learning and growth as they strive to naturally cooperative set of leaders who prepared for this planning by listening to families and responding with solid strategies that will meet Cuyama Valley is small with limited resources, but the community's families depend on each other to make the best of what they have. The partners submitting this application are similarly woven together in support of the community. The work presented here is the result of a families where they are with what they need. This cooperative nature provides a solid foundation for the Early Learning Plan, and for the lift up Cuyama Valley's children and families.

Interquest Detection Canines[®] Of Fresno Cuyama Joint Unified (the District)

This shall serve as an agreement by and between Interquest Detection Canines® of Fresno and the DISTRICT for substance awareness and detection services for the period of August 2021 through June 2022.

It is understood that the DISTRICT has established and communicated a policy clearly defining contraband as all drugs of abuse (in the broadest terms), alcoholic beverages, firearms and ammunition, prescription and over-the-counter medication, and that this policy has been disseminated to all campus locations. Violations are considered inimical to the welfare of students and contrary to the DISTRICT'S desire to foster an atmosphere conducive to safety and education.

INTERQUEST shall provide contraband inspection services utilizing non-aggressive contraband detection canines. Such inspections may be conducted on an unannounced basis under the auspices and direction of the DISTRICT administration with INTERQUEST acting as an agent of the DISTRICT while conducting such inspections. Communal areas, lockers, gym areas, parking lots (automobiles), grounds, and other select areas as directed by DISTRICT officials, shall be subject to inspection. Contraband detected on DISTRICT property is the responsibility of the DISTRICT.

INTERQUEST policy precludes the use of detection canines to "sniff" individuals under any circumstances.

INTERQUEST agrees to provide 3 half day visits for the contract period. The DISTRICT may increase the total number of visits by notifying INTERQUEST in writing. Each visit will be \$300 / visit. Multiple canine teams will be charged on a per team basis. INTERQUEST will invoice for service on a monthly basis at the conclusion of the service month. The DISTRICT agrees to pay for services within thirty (30) days of receipt of such invoice.

INTERQUEST will schedule DISTRICT visits in conjunction with days designated by the DISTRICT as appropriate for visits. DISTRICT will provide a school calendar with inappropriate dates for service noted. This calendar will serve as an addendum to the Agreement. All other dates will be considered acceptable for visits. Service will NOT be scheduled until the calendar is received.

INTERQUEST is licensed and registered by the U.S. Department of Justice, Drug Enforcement Administration, and regional regulatory agencies as required. Detection canines are certified as reliable by the National Narcotic Detector Dog Association or equivalent independent agency. All employees are registered with the Department of Justice in accordance with California Education Code requirements.

The DISTRICT agrees to hold harmless INTERQUEST, its Director and employees from and against any and all claims, demands, actions and suits, including but not limited to, any liability for damages by reason of or arising from contraband remaining undetected.

FIRST READING 4-14-2022

Recommendation to Adopt Regular Annual Rent Increases to District Owned Rental Properties

Background: The Cuyama Joint Unified School District currently owns six (6) single family residential properties, two (2) "Live-On" Residential dwellings at each school site, and one (1) parcel of land with a storage barn. The district properties are occupied by members of the community and district employees. District employees receive the benefit of discounted rent. Tenants are required to pay annual unsecured property taxes for holding possessory interest. In 2019, the average median rent was approximately \$875 per month*. There are no current rentals advertised to compare to at this time.

Reason: The rent on these properties has not been increased for several years. All properties are currently rented for less than market value. The cost to maintain these properties is a district expense and impacts the general fund. In the interest of the appropriate uses of public funds, the district recommends that the board adopt the procedure of reasonable annual increases that will help reduce the district's fiscal impact associated with owning these properties.

Projected Outcome: By establishing regular annual rent increases, the district would be able to help reduce deficit spending. The district would have flexibility to allow for an exemption or reduction in the percentage of the annual increase in the event of emergency or other special circumstance. Tenants would receive notice of the increase in accordance with the law. The increase would be equitably administered among tenants. The increase would be a reasonable amount and within the guidelines of the law in the State of California. The regular annual increases would assist the district in closing the gap between the median rental market value and the current rent prices. If any new property becomes vacant, the new rental rate will be brought up to date to the district's market rental value less a 25% discount for an employee. For example, if a 3-bedroom single family home were \$800 per month for a non-employee, an employee would be charged \$600 per month.

	Property	Current Rent	10%	5%	2.5%	Rental Status
1	4753 CEBRIAN	775.00	77.50	38.75	19.38	Non-emp.
2	4825 CEBRIAN	475.00	47.50	23.75	11.88	employee
3	4825 MORALES	650.00	65.00	32.50	16.25	Non-emp.
4	4814 MORALES	440.00	44.00	22.00	11.00	employee
5	4826 SISQUOC	700.00	70.00	35.00	17.50	Non-emp
6	4831 Morales	440.00	44.00	22.00	11.00	employee
7	Elementary Duplex (live-on) (includes utilities)	550.00	55.00	27.50	13.75	vacant
8	High School House (includes utilities)	605.00	60.50	30.25	15.13	employee

District Owned Properties/Rentals:

Recommendation: Administration recommends a regular annual increase EFFECTIVE 7-1-2022 of 5% of the current monthly rent amount until market value rent is reached, then an annual increase of 50% of the Cost-of-Living Adjustment (COLA) percentage. Employees would receive a 25% discount on the non-employee monthly rent rate.

Cuyama Joint Unified School District

2300 Highway 166, New Cuyama, California 93254 (661) 766-2482 • FAX: (661) 766-2255

April 14, 2022

Covid Graduation Waiver for 2021-2022 school year only:

AB 104 gives 2021/22 seniors who fall substantially short of the graduation requirements set by the governing board, a regular high school diploma at roughly "half price". For this year only, AB 104 students can earn a high school diploma after fulfilling one-half or less of the requirements set by the governing board.

Education Code section 51225.3. lists the state legislature's minimum number of courses necessary to graduate high school. There are 13 such courses. Those are the AB 104 course requirements. For the Cuyama Joint Unified that number is 130.

Additionally, AB 104 requires high schools to provide AB 104 seniors (those who are not on the usual graduation track) to ability to opt for a 5th year if necessary to complete the statewide 13 course graduation requirements.

Cuyama USD High School Graduation Requirements

Pupils shall be authorized to graduate and to receive a diploma from Cuyama Valley High School of the Cuyama Joint Unified School District without regard to the length of time actually taken by the pupil to complete requirements when the following are met:

The student has satisfactorily completed a curriculum of not less than 240 units of credit for the class of 2019, and 230 for the classes of 2020 and beyond, which satisfies the following criteria:

A. 140 units have been earned at grade "C" or better.

B. 35 units are in English. Students must be enrolled in eight (8) semesters of integrated courses combined instruction in listening, speaking, writing, reading and the study of literature.

C. 30 units are in Mathematics, including Algebra and other Mathematics coursework at the high school level or above.

- D. 30 units are in Social Science and include:
- 1. 10 units in World History and Geography
- 2. 10 units in United States History
- 3. 5 units in United States Government
- 4.5 units in Economics

E. 20 units are in Science and include:

- 1. 10 units in General Science, Agricultural Science or Food Science.
- 2. 10 units in General Biology, Agricultural Biology or Food Biology.

F. 5 units of Life and Career Planning.

G. 10 units are in Fine Arts or Foreign Language or Practical Arts. Acceptable courses include:

- 1. Any language other than English.
- 2. Art, Art Appreciation, Drama, Performing Arts, Music

Appreciation and Photography.

- 3. Agriculture Mechanics and Culinary Arts
- H. 20 units are in Physical Education and include:
- 1. 10 units of Freshmen PE.
- 2. 10 additional units of PE.
- I. 15 additional units include:
- (1) 5 units for Health Education.
- (2) 10 units for Capstone/ Senior Seminar.

J. 80 units of credit for the class of 2019 and 75 for the classes of 2020 and beyond.

K. 25 hours of community service

AB 104 Statewide Graduation Course Requirement per Education Code section 51225.3

1.57

1. Three courses in English.

2. Two courses in mathematics. At least one mathematics course, or a combination of the two mathematics courses, shall meet or exceed state academic content standards for Algebra I or Mathematics I. Completion of such coursework prior to grade 9 shall satisfy the Algebra I or Mathematics I requirement, but shall not exempt a student from the requirement to complete two mathematics courses in grades 9-12.

3. Two courses in science, including biological and physical sciences.

4. Three courses in social studies, including United States history and geography; world history, culture, and geography; a one-semester course in American government and civics; and a one-semester course in economics.

5. One course in visual or performing arts, world language, or career technical education (CTE). For purposes of this requirement, a course in American Sign Language shall be deemed a course in world language.

6. Two courses in physical education, unless the student has been otherwise exempted pursuant to other sections of the Education Code.

RE: FORM TO RECORD DISTRICT AND/OR SCHOOL REPRESENTATIVES TO LEAGUES

DATE: APRIL 1, 2022

Enclosed is a form upon which to record your district and/or school representatives to leagues for **next year**, **2022-2023**. It is a form sent every year to you in order to obtain the names of league representatives to every league in the state and to make sure that the league representatives are designated by school district or school governing boards. It is a legal requirement that league representatives be so designated.

The education code gives the authority for high school athletics to high school governing boards. The code also requires that the boards, after joining CIF, designate their representatives to CIF leagues. This is a necessity! (Ed. Code 33353 (a) (1))

We are asking that, after action by the governing board, you **send the names of league representatives to your CIF Section office**. Obviously, the presumption behind this code section is that the representatives of boards are the <u>only</u> people who will be voting on issues, at the league and section level, that impact athletics.

If a governing board does not take appropriate action to designate representatives or this information is not given to Section offices within the required time frame, CIF is required to suspend voting privileges (CIF Constitution, Article 2, Section 25, p. 18) for the affected schools.

At the State Federated Council level, we will be asking that Sections verify that their representatives are designated in compliance with this Ed. Code section.

I hope this gives you a bit of background. Thank you for all you do to help support high school athletics. It is a valuable program in all high schools, and we appreciate the support you give to the program and to CIF.

Please return the enclosed form no later than June 28, 2022 directly to your CIF Section Office. Addresses of each section are listed on the back of the form. Please contact us if we can give you further information.

2022-2023 Designation of CIF Representatives to League

Please complete the form below for each school under your jurisdiction and <u>RETURN TO THE CIF SECTION</u> <u>OFFICE</u> (ADDRESSES ON REVERSE SIDE) no later than June 28, 2022.

Cuyama Joint Unified	_School District/Governing Board at its	April 14, 202	22 meeting,

(Name of school district/governing board)

(Date)

appointed the following individual(s) to serve for the 2022-2023 school year as the school's league representative:

HEALTH OFFICIALS AB 361 SOCIAL DISTANCE RECOMMENDATION

COVID-19 disease prevention measures, endorsed by the Centers for Disease Control and Prevention, include vaccinations, facial coverings, increased indoor ventilation, handwashing, and physical distancing (particularly indoors).

Since March 2020, local legislative bodies-such as commissions, committees, boards, and councils- have successfully held public meetings with teleconferencing as authorized by Executive Orders issued by the Governor. Using technology to allow for virtual participation in public meetings is a social distancing measure that may help control transmission of the SARS-CoV-2 virus. Public meetings bring together many individuals (both vaccinated and potentially unvaccinated), from multiple households, in a single indoor space for an extended time. For those at increased risk for infection, or subject to an isolation or quarantine order, teleconferencing allows for full participation in public meetings, while protecting themselves and others from the COVID-19 virus.

Utilizing teleconferencing options for public meetings is an effective and recommended social distancing measure to facilitate participation in public affairs and encourage participants to protect themselves and others from the COVID-19 disease. This recommendation is further intended to satisfy the requirement of the Brown Act (specifically Gov't Code Section 54953(e)(1)(A)), which allows local legislative bodies in the County of Santa Barbara to use certain available teleconferencing options set forth in the Brown Act.

Henning Ansora, MD Public Health Officer County of Santa Barbara

Van Do-Reynoso, MPH, PhD Public Health Director County of Santa Barbara

Healthy people, healthy community, healthy environment.

EXECUTIVE DEPARTMENT STATE OF CALIFORNIA

EXECUTIVE ORDER N-1-22

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS on March 12, 2021, 1 issued Executive Order N-25-20, paragraph 11, and on March 17, 2020, I issued Executive Order N-29-20, paragraph 3, waiving certain requirements that public meetings of state bodies occur in-person; and

WHEREAS on June 11, 2021, I issued Executive Order N-08-21 to roll back certain provisions of my COVID-19-related Executive Orders and to clarify that other provisions remained necessary to help California respond to, recover from, and mitigate the impacts of the COVID-19 pandemic; and

WHEREAS paragraph 42 of Executive Order N-08-21 specified that the waiver of requirements that public meetings of state bodies occur inperson would be valid through September 30, 2021; and

WHEREAS on September 16, 2021, I signed into law Assembly Bill 361 (AB 361), which amended the Government Code and Education Code to provide additional flexibility for state bodies to conduct public meetings via teleconference through January 31, 2022; and

WHEREAS since Thanksgiving, the statewide seven-day average case rate has increased by 805% and the number of COVID-19 hospitalized patients has increased by 154%; and

WHEREAS this surge is being driven by the recent emergence of the Omicron variant, which has recently been estimated to account for approximately 70% of cases sequenced nationally; and

WHEREAS early data suggest that the Omicron variant is more transmissible than the Delta variant; and

WHEREAS requiring large numbers of individuals to gather, and potentially travel long distances, for in-person public meetings could potentially, and unnecessarily, expose numerous people to COVID-19, further contribute to the ongoing surge in cases caused by the Omicron variant, compound disruptions to our economy, and undermine public health measures during the current State of Emergency; and

WHEREAS when the Legislature considered AB 361 this past fall, the Omicron variant had not emerged, and the virus had not demonstrated the ability to evade immunity; and

WHEREAS in light of the present surge in cases due to the Omicron variant, and to protect the public health and safety, it is necessary to temporarily extend the flexibilities for state bodies to conduct teleconferences under AB 361 beyond January 31, 2022, to provide state bodies the option of conducting public meetings remotely to reduce the risk of in-person exposure to members of the staff body, staff, and members of the public; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with the statutes specified in this Order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes, and in particular, Government Code sections 8567, 8571, and 8627 do hereby issue the following Order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- The sunset dates in Education Code section 89305.6, subdivision (g), and Government Code section 11133, subdivision (g), are suspended until March 31, 2022.
- 2. This Order shall expire at 11:59 p.m. on April 1, 2022.

I FURTHER DIRECT that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

> IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be atfixed this 5th day of January 2022.

GAVIN NEWSOM Governor of California

ATTEST:

SHIRLEY WEBER, PH.D. Secretary of State
