As or equivalent) in ALL TIERS: The the website of the local educational

which satisfies requirements for the safe reopening of schools per CDPH <u>Guidance on Schools</u>. For those seeking to open while in the Purple Tier, these plans have also been submitted to the local health officer (LHO) and the State School Safety Team.

I confirm that reopening plan(s) address the following, consistent with guidance from the California Department of Public Health and the local health department: ☐ Stable group structures (where applicable): How students and staff will be kept in stable groups with fixed membership that stay together for all activities (e.g., instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the stable group. Please provide specific information regarding: How many students and staff will be in each planned stable, group structure? (If planning more than one type of group, what is the minimum and maximum number of students and staff in the groups?) If you have departmentalized classes, how will you organize staff and students in stable groups? If you have electives, how will you prevent or minimize in-person contact for members of different stable groups? ☐ Entrance, Egress, and Movement Within the School: How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts. ☐ Face Coverings and Other Essential Protective Gear: How CDPH's face covering requirements will be satisfied and enforced for staff and students. ☐ **Health Screenings for Students and Staff:** How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately. ☐ **Healthy Hygiene Practices:** The availability of handwashing stations and hand sanitizer, and how their safe and appropriate use will be promoted

and incorporated into routines for staff and students.

there is a confirmed case persons to support contact of exposed students and students and students are notification of exposed per the local health departments.	ng of Contacts: Actions that staff will take when . Confirm that the school(s) have designated staff ct tracing, such as creation and submission of lists staff to the local health department and ersons. Each school must designate a person for ent to contact about COVID-19.
for physical distancing of	students and staff.
Please provide the planne students in classrooms.	ed maximum and minimum distance between
Maximum:	_feet
	_feet. If this is less than 6 feet, please explain why in a minimum of at least 6 feet.
•	y Education: How staff will be trained and families application and enforcement of the plan.
who have symptoms of C COVID-19 will be rapidly t	nool officials will ensure that students and staff OVID-19 or have been exposed to someone with ested and what instructions they will be given ts. Below, please describe any planned periodic g cadence.
