Expanded Learning Opportunities Plan 2022-2023 TK-6th grade

Purpose: The bill provides one-time funding to establish the Expanded Learning Grant Program to provide students access to after school and summer school or intersessional instruction opportunity programs.

Our plan does the following:

1. Prioritize enrollment for our low-income students but permit all TK-6th grade students to be served.
2. District will provide after-school programs for students in TK-6th grade on school days and 30 non-school summer school or intersessional days and to any student who requests it for the 2023-2024 school year provided funds continue to be received by the district.

Grant Amount: \$56,171

Uses for these funds include:

1. After school tutoring
2. Saturday tutoring/sessions
3. Tutoring during school breaks
4. summer school tutoring
5. Summer school and school day tutoring materials

Tracking of expenses: The Business Office will track the appropriate expenses to these funds using the coding system the district is using.
